### Congratulations!

I am sure that you will want to join with me and the Local Board in expressing heartfelt congratulations to Mr O'Regan on his thoroughly deserved appointment as our new Principal.

During the pandemic, his nurturing, supportive approach, combined with meticulous attention to detail, have ensured that staff and children have been able to return to school safely without compromising the creative, exciting and inclusive approach to learning at which our brilliant teachers excel.

Mr O'Regan's dedication and enthusiasm for the quality of our children's learning experience, both during his years as our Vice Principal and more recently as Interim Principal, have been inspirational and we look forward with confidence and excitement as he leads West St Leonard's into the future.

### Half Term

We would like to wish our families an enjoyable half term and we look forward to seeing the children on Monday 2 November 2020.

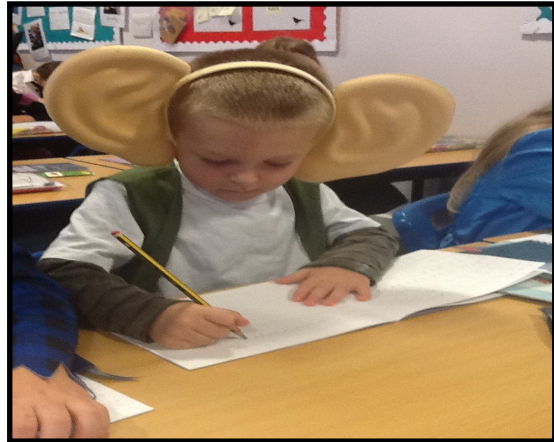

### Win a £20 Book Token!

Over the half term holidays we will be having a 'Spooky Spectacular Reader' competition where we will be asking you to send in photos of children dressed up in their Halloween gear reading a book. Our winner will receive a £20 book token!

## Splendiferous Roald Dahl Day

We had a fantastic day yesterday and the range of costumes was excellent! The children enjoyed all of their Roald Dahl related activities and it made for a memorable end to our first term.

## Return of the Superheroes!

Our superheroes returned to Year 1 today to proudly present them with their Iron Man Reading Superpower certificates.

Year 1 have had a fantastic start to the year and we are very proud of everyone's progress. We are sure you feel the same about this at home and would love for you to send in Proud Clouds for us to celebrate at school. Watch the video on the [learning channel](#) to find out more about our Proud Clouds. You will find the template in your child's book bag ready for you to fill out! We look forward to receiving these Proud moments soon!

## PE at the End of the School Day

To ensure that children are able to make the most of their PE lessons in the afternoon and be prompt for collection, we may send your child home in their PE kits at the end of the day with their school uniform in their PE bags. We will still ensure that they are adequately dressed for the weather before they leave at the end of the day.

With the imminent change in weather, we would also like to inform parents and carers that children are able to wear dark green, dark blue or black joggers for their PE sessions.

## Well Done!

Oystercatchers have been doing excellent learning this term and enjoyed their ping pong treat. They iced biscuits and added exciting toppings. Well done. Miss Carter is very proud of you all.

We will also like to say well done to Ava, Archie and Lexi from Cranes for their thoughtful reflections in their work during Black History Week as they had listened very carefully to the learning and were able to support the class with their ideas. Their written work also showed how much they had considered equality and the changes they would have liked to make if they were able to alter past events.

## Systems at the start and end of the school day

We would like to take this opportunity to thank the community for their support of the collection and drop off system this term. With your help, we have been able to maintain a steady flow of parents and carers onto the site at their allotted time and this has made the start and end of day much more settled for children; we also have appreciated the feedback received from you around how much you have benefited from the one way system and the sibling drop off point.

Rest assured that as this has been such a success this term, we will not be making any amendments to the start and end of day at this stage. Therefore, please keep dropping off and collecting your children at the same time next term.
